RESPONSE

In response to the communication of July 11, 2002, Applicants submit an Application Data Sheet providing postal addresses for each Applicant. The mailing address for each inventor is identical to the postal address. Additionally, the Office regulations specify that this information may be provided using an Application Data Sheet under 37 C.F.R. § 1.76(b)(1).

Applicants disagree that the declaration is defective because the specification has not been adequately identified. The Manual for Patent Examining Procedure (MPEP 602) provides that:

Filing dates are granted on applications filed without an oath or declaration in compliance with 37 C.F.R. 1.63, the oath or declaration being filed later with a surcharge. The following combinations of information supplied in an oath or declaration
